1982 Convention on the Law of the Sea  
common dolphinfishes, 5:215  
pompano dolphinfishes, 5:214

## A

Aba-aba, 4:57, 4:231, 4:232–233, 4:235, 4:237  
*Ablabys taenianotus*. See Cockatoo waspfishes  
Able, K. W.  
on red hakes, 5:28  
on white hakes, 5:28, 5:39  
Abouts. See Rudds  
*Abramis* spp., 4:298  
*Abramis brama*. See Carp breams  
*Abyssobrotula galathea*, 5:15  
Abyssocotidae, 4:57  
*Acanthemblemaria* spp. See Barnacle blennies  
*Acanthemblemaria maria*. See Secretary blennies  
*Acanthobromis polyacanthus*. See Marine damselfishes  
*Acanthocybium solandri*. See Wahoos  
Acanthodii, 4:10  
Acanthomorpha, 4:448  
*Acanthopthalmus kubli*. See Coolie loaches  
*Acanthopthalmus semicinctus*. See Coolie loaches  
*Acanthopsis choirorhynchus*. See Horseface loaches  
Acanthopterygii, 4:12  
Acanthuridae, 4:67–68, 5:391  
Acanthuroidei, 5:391–404, 5:394, 5:395  
behavior, 5:392–393  
conservation status, 5:393  
distribution, 5:392  
evolution, 5:391  
feeding ecology, 5:393  
habitats, 5:392  
humans and, 5:393  
physical characteristics, 5:391  
reproduction, 5:393  
species of, 5:396–403  
taxonomy, 5:391  
*Acanthurus* spp., 5:396  
*Acanthurus chirurgus*. See Doctorfishes  
*Acanthurus coeruleus*. See Blue tangs  
*Acanthurus lineatus*. See Lined surgeonfishes  
*Acanthurus leucosternon*. See Powder blue tangs  
Acheilognathinae, 4:297  
Achiridae, 5:450, 5:452, 5:453  
Achiropsettidae, 5:450  
*Acipenser* spp., 4:213

*Acipenser brevirostrum*. See Shortnose sturgeons  
*Acipenser fulvescens*. See Lake sturgeons  
*Acipenser gueldenstaedtii*, 4:213  
*Acipenser oxyrinchus*. See Atlantic sturgeons  
*Acipenser sturio*. See Atlantic sturgeons  
*Acipenser transmontanus*. See White sturgeons  
Acipenseridae, 4:11, 4:58  
Acipenseriformes, 4:18, 4:213–220, 4:216  
Acronurus, 5:396  
*Acrotus willoughbyi*. See Ragfishes  
Actinopterygii, 4:10, 4:11–12  
*Acyrtops* spp., 5:355  
*Acyrtus* spp., 5:355  
Adamson's grunters, 5:222  
Adder pikes. See Lesser weevers  
Adelphorhagy, 4:133  
Adrianichthyidae. See Ricefishes  
Adrianichthyoidei, 5:79  
*Adrianichthys kruyti*. See Duckbilled buntingis  
*Aeoliscus strigatus*. See Common shrimpfishes  
*Aetobatus narinari*. See Spotted eagle rays  
AFGP (antifreeze glycopeptide), 5:321–322  
African arawanas, 4:232, 4:233–234  
African elephantfishes, 4:232, 4:234  
African Great Lakes, cichlids, 5:275–276  
African darter tetras. See Striped African darters  
African hillstream catfishes, 4:352  
African knifefishes, 4:232, 4:233  
African lampeyes, 5:89  
African lungfishes, 4:3, 4:57, 4:201–203, 4:204, 4:205–206  
African mudfishes, 4:292, 4:294–295  
African pikes, 4:335, 4:337, 4:338  
African polka-dot catfishes, 4:353  
African snakeheads, 5:440, 5:446  
African snooks. See Nile perches  
Afromastacembelinae, 5:151  
Agassiz, Louis, 5:89  
Agassiz's dwarf cichlids, 5:282, 5:284  
Agassiz's slickheads, 4:392  
Aggressive mimicry, 4:68, 5:342  
Agnathans, 4:27, 4:77, 4:83  
Agonidae. See Poachers  
Agonistic behavior, 4:62–63  
*Agonostomus* spp., 5:59  
*Agonostomus monticola*. See Mountain mullets  
*Agrostichthys* spp., 4:447  
*Agrostichthys parkeri*, 4:449, 4:454  
Aipichthyidae, 5:1  
Airbreathing catfishes, 4:352  
Akysidae, 4:353  
Alabama cavefishes, 5:6, 5:7, 5:9, 5:10

Alabama shads, 4:278  
*Alabes* spp. See Singleslits  
*Alabes dorsalis*. See Common shore-eels  
*Alabes parvulus*. See Pygmy shore-eels  
Alaska blackcods. See Sablefishes  
Alaska blackfishes, 4:379–380, 4:382, 4:383  
Alaska pollocks, 5:27, 5:30, 5:31, 5:35–36  
Albacore, 5:408, 5:410, 5:414–415  
Albacores, 5:407  
*Albula* spp., 4:249  
*Albula vulpes*. See Bonefishes  
Albulidae. See Bonefishes  
Albuliformes, 4:11, 4:249–253, 4:251  
*Aldrichetta* spp., 5:59  
*Aldrovandia* spp., 4:249  
Alepisauroidea, 4:432  
Alepisauroidei, 4:431  
*Alepisaurus ferrox*. See Longnose lancetfishes  
Alepocephalidae. See Slickheads  
Alepocephaloidea, 4:390  
*Alepocephalus agassizii*. See Agassiz's slickheads  
*Alepocephalus rostratus*. See Slickheads  
*Alepocephalus tenebrosus*. See California slickheads  
Alestiidae, 4:335  
Alewives, 4:280, 4:281–282  
Alfoncinos, 5:113, 5:115  
Algae eaters, 4:57, 4:321, 4:322, 4:326, 4:328, 4:333  
Allen, G. H., 5:353  
Allen, G. R., 5:219  
*Allenbatrachus* spp., 5:42  
Alligator gars, 4:221, 4:222, 4:223, 4:224  
*Allodontichthys* spp., 5:92  
Allotriognatha. See Lampridiformes  
*Alopias vulpinus*. See Thresher sharks  
*Alosa alabamae*. See Alabama shads  
*Alosa pseudoharengus*. See Alewives  
*Alosa sapidissima*. See American shads  
Alpine charrs. See Charrs  
*Alticus* spp., 5:342  
*Aluterus monoceros*, 5:469  
*Aluterus scriptus*. See Scrawled filefishes  
Amarsipidae. See *Amarsipus carlsbergi*  
*Amarsipus carlsbergi*, 5:421  
Amazon leaffishes, 5:242, 5:246, 5:251  
Ambassidae. See Glassfishes  
Amberjacks, 4:68  
*Ambloplites rupestris*. See Rock basses  
Amblycipitidae, 4:353  
*Amblydoras hancockii*. See Blue-eye catfishes  
*Amblyeleotris wheeleri*. See Gorgeous prawn-gobies  
Amblyopinae, 5:373, 5:375

## Index

- Amblyopsidae, 4:57, 5:5, 5:6  
*Amblyopsis rosae*. See Ozark cavefishes  
*Amblyopsis spelaea*. See Northern cavefishes  
*Amblyraja radiata*, 4:177  
American burbot. See Burbot  
American butterfishes. See Butterfishes (Stromateidae)  
American congers, 4:255, 4:259, 4:263–264  
American eels, 4:256, 4:257, 4:260, 4:261, 4:262–263  
American gizzard shads. See Gizzard shads  
American graylings. See Arctic graylings  
American Killifish Association, 5:94  
American Livebearer Association, 5:94  
American paddlefishes, 4:216, 4:219, 4:220  
American perches. See Yellow perches  
American sand lances. See Inshore sand lances  
American shads, 4:280, 4:281, 4:282  
American sturgeons, 4:75  
*Amia* spp., 4:230  
*Amia calva*. See Bowfins  
Amiidae, 4:11, 4:229  
Amiiformes. See Bowfins  
Amiinae, 4:229  
Amiopsinae, 4:229  
*Ammocrypta* spp., 4:62  
*Ammodytes americanus*. See Inshore sand lances  
Ammodytidae. See Sand lances  
*Amniataba* spp., 5:220  
*Ampheristus* spp., 5:16  
*Ampibichthys* spp., 5:41  
Amphidromous fishes, 4:50  
    See also specific fishes  
Amphiliidae, 4:352  
*Amphiprion* spp., 5:294–295  
*Amphiprion ocellaris*. See Clown anemonefishes  
Anabantidae, 5:427  
Anabantoidei. See Labyrinth fishes  
*Anabas* spp., 5:427, 5:428  
*Anabas testudineus*. See Climbing perches  
Anablepidae, 4:57, 5:89, 5:92, 5:93  
*Anableps* spp., 5:89, 5:91, 5:93, 5:94  
*Anableps anableps*. See Largescale foureyes  
*Anableps dowi*. See Pacific four-eyed fishes  
*Anacanthus barbatus*, 5:467  
Anamia, 4:324, 4:325  
*Anaora* spp., 5:365  
Anarhichadidae. See Wolffishes  
*Anarhichas* spp., 5:310, 5:311, 5:313  
*Anarhichas lupus*, 5:310, 5:311  
*Anarhichas orientalis*, 5:311  
*Anarrhichthys ocellatus*. See Wolf-eels  
Anaspidae, 4:9  
*Anchoa mitchilli*. See Bay anchovies  
Anchoveta, 4:55, 4:75, 4:279–280, 4:285, 4:287–288  
Anchovies, 4:12, 4:44, 4:67, 4:277–280, 4:283, 4:285–287  
*Ancistrus triradiatus*. See Branched bristlenose catfishes  
*Andamia* spp., 5:342  
Andinichthyidae, 4:351  
*Andinichthys* spp., 4:351  
*Andriasbevia aptera*, 5:310  
Anemonefishes, 4:64, 5:294, 5:297, 5:299, 5:302, 5:304  
Angelfishes, 4:48, 4:65, 4:67, 5:235–244, 5:245, 5:252–253, 5:282, 5:287–288  
Angelsharks, 4:11, 4:161–165, 4:163  
Angler catfishes. See Squarehead catfishes  
Anglerfishes, 4:14–15, 5:47–57, 5:48, 5:49, 5:52  
    behavior, 5:48–50  
    conservation status, 5:51  
    distribution, 5:47  
    evolution, 5:47  
    feeding ecology, 5:50  
    habitats, 5:48  
    humans and, 5:51  
    physical characteristics, 4:14–15, 4:22, 5:47  
    reproduction, 4:26, 4:33, 5:50–51  
    species of, 5:53–56  
    taxonomy, 5:47  
*Anguilla* spp., 4:14, 4:35  
*Anguilla anguilla*. See European eels  
*Anguilla oceanica*. See American congers  
*Anguilla rostrata*. See American eels  
Anguillidae, 4:68, 4:255  
Anguilliformes, 4:255–270, 4:259–260  
    behavior, 4:256  
    conservation, 4:258  
    distribution, 4:255  
    evolution, 4:255  
    feeding ecology, 4:256, 4:257  
    habitats, 4:255–256  
    humans and, 4:258  
    physical characteristics, 4:255  
    reproduction, 4:256–258  
    species of, 4:261–269  
    taxonomy, 4:11, 4:255  
*Annamia normani*. See Anamia  
Anomalopidae. See Flashlightfishes  
*Anomalops katoptron*. See Splitfin flashlightfishes  
*Anoplogaster cornuta*. See Common fangtooths  
Anoplogasteridae. See Fangtooth fishes  
Anoplogastridae. See Fangtooth fishes  
*Anoplopoma fimbria*. See Sablefishes  
Anoplopomatidae, 5:179  
Anostomidae, 4:335  
*Anostomus anostomus*. See Striped headstanders  
Anotopteridae, 4:432  
Antarctic cods. See Notothen  
Antarctic toothfishes, 5:323  
Antenna catfishes, 4:352  
Antennariidae. See Sargassumfishes  
Antennarioidae. See Frogfishes  
*Antennarius* spp. See Frogfishes  
*Antennarius maculatus*. See Warty frogfishes  
*Antennarius multiocellatus*. See Longlure frogfishes  
*Antennarius pictus*. See Painted frogfishes  
*Antennarius radiosus*. See Big-eye frogfishes  
*Antennarius striatus*, 5:51  
Anthiinae, 5:255, 5:256, 5:260, 5:262  
Anthony, J., 4:192  
Antifreeze, 4:49–50, 5:321–322  
*Antigonia rubescens*. See Red boarfishes  
*Antimora microlepis*, 5:27  
*Aphanis* spp., 5:91  
*Aphanis fasciatus*, 5:91  
*Aphia minuta*. See Transparent gobies  
*Aphos* spp., 5:41  
Aphredoderidae. See Pirate perches  
Aphredoderidae, 5:5  
Aphredoderidae, 5:5  
*Aphredoderus sayanus*. See Pirate perches  
Aphyiine gobies, 5:375  
*Aphyocypris* spp., 4:298  
Aphyonidae, 5:15, 5:16, 5:18  
*Aphyosemion* spp., 5:90  
*Aphyosemion australe*. See Chocolate lyretails  
*Aphyosemion franzwerneri*, 5:92  
Apistidae. See Longfinned waspfishes  
*Apistogramma agassizii*. See Agassiz's dwarf cichlids  
*Apistus carinatus*. See Ocellated waspfishes  
*Apletodon* spp., 5:355  
Aploactinidae. See Velvetfishes  
*Aplocheilichthys* spp. See African lampreys  
Aplocheiloidei, 5:90, 5:91, 5:92  
Aplodactylidae. See Seacarp  
Apodes. See Anguilliformes  
Apogonidae. See Cardinalfishes  
*Apristurus* spp., 4:114  
Apterodontidae. See Black ghosts  
Apterodontidae, 4:369, 4:370  
*Apteronotus* spp., 4:369, 4:370, 4:371  
*Apteronotus albifrons*. See Black ghosts  
Aquariums, 4:72, 4:74, 4:303, 5:94  
Arapaima, 4:232, 4:233, 4:235, 4:237, 4:240  
*Arapaima gigas*. See Arapaima  
Arawanas, 4:232, 4:233–234, 4:235, 4:237, 4:240  
Archerfishes, 4:50, 4:69, 5:235–239, 5:241–244  
    See also Banded archerfishes  
*Archosargus*. See Sheepsheads  
*Arcos* spp., 5:355  
Arctic charrs. See Charrs  
Arctic graylings, 4:408, 4:410, 4:419  
*Arctoscopus* spp., 5:335  
*Arctoscopus japonicus*. See Sailfin sandfishes  
*Argentina* spp., 4:392  
*Argentina silus*. See Greater argentinines  
Argentines, 4:389, 4:390, 4:392  
Argentinidae, 4:390, 4:391, 4:392  
Argentinoidea, 4:390  
Argentinoidei, 4:389, 4:391, 4:392, 4:393  
*Argyropelecus aculeatus*. See Silver hatchetfishes  
Ariidae. See Sea catfishes  
*Ariomma* spp., 5:421  
*Ariomma indicum*. See Indian ariommas  
Ariommatidae. See *Ariomma* spp.  
*Ariopsis bonillai*. See New Granada sea catfishes  
Aristotle, on monkfishes, 5:56  
Arkansas Department of Environmental Quality, 5:11  
Armored catfishes, 4:352, 4:353  
Armored gurnards, 5:165  
Armored sea robins, 5:163, 5:164, 5:165  
Armored sticklebacks, 5:138, 5:142–143  
Armorhead catfishes, 4:353  
Armorheads, 5:235, 5:236, 5:238, 5:240, 5:242, 5:243  
    See also Pentacerotidae  
Arno gobies, 5:379, 5:382, 5:385–386  
*Arothron hispidus*. See White-spotted puffers  
*Arothron meleagris*. See Guinea fowl puffers  
Arowanas, 4:4  
Arrow gobies, 5:375  
Arrow loaches, 4:324, 4:326–327  
Art, 4:72–73  
Artedidraconidae. See Plunderfishes  
*Artedius* spp., 5:180, 5:183  
*Artedius fenestralis*. See Padded sculpins  
*Artedius harringtoni*. See Scalyhead sculpins  
*Artedius lateralis*. See Flathead sculpins  
Arwana. See Arawanas  
Asagi, 4:299  
*Ascaphus truei*, 4:191  
Ascotan Mountain killifishes, 5:95, 5:98–99
