

World Celebrations: New Year

Time-Traveling on New Year's Eve (Grades 3-4; geography; science)

Using your local time as a guide, use the downloadable clock art to go "around the world" at midnight on December 31. Compare your time to midnight in cities around the world.

Example from an East Coast city: Boston at midnight:

What time is it in Boston when Los Angeles reaches midnight? **3 a.m.**

What time is it in Boston when London reaches midnight? **5 a.m.**

What time is it in Boston when Beirut reaches midnight? **7 a.m.**

What time is it in Boston when Moscow reaches midnight? **8 a.m.**

What time is it in Boston when Hong Kong reaches midnight? **1 a.m. a whole day later!**
