SCOPE AND DEPTH

Canada in Context delivers a targeted perspective on a nation and its influence on the world. Its continuously updated resources provide ongoing benefits for students anywhere conducting academic or general research on Canadian topics.

Premier portals support 21st century learning

Gale *In Context* is the result of user input and a study of research processes. Our findings revealed that students prefer resources that combine web-like functionality with high-quality information. To help students streamline their efforts and identify the most relevant content, we created eye-catching, engaging portals that seamlessly integrate authoritative reference from Gale and its partners with media-rich, curriculum-aligned content that spans core subjects and 21st century themes.

Gale *In Context* resources:

- Engage and motivate students with a web-like experience that promotes information discovery
- Facilitate collaboration between media specialists and teachers in fostering 21st century skills like critical thinking and information literacy
- Include tools to support differentiated learning and diverse student populations
- Deliver helpful topic pages and enhanced search results to streamline the research process
