 **GALE**
CENGAGE Learning™

The world's leading source on animals online

This acclaimed 17-volume *Grzimek's Animal Life Encyclopedia* — considered the best and most comprehensive animal reference available today — is transformed into an interactive, media-rich, community-oriented, online interface. Fascinating features include:

Now Available

- **Animals A-Z** — unparalleled coverage of more than 4,000 species (evolution, habitat, behavior, range and more)
- **Authoritative content** — up-to-date information written and reviewed by the world's experts
- **Intuitive and credible** — letting kids explore and learn while supporting serious academic research
- **Media rich** — photos, maps, videos, interactive gadgets and more linked to periodicals, real-time news and websites
- **User-friendly interface** — engaging features such as Search Assist, Animal Finder, Read Speaker and the ability to create citations and to print, email and download content

Planned enhancements

- **Community connection** — upload photos, share travel stories and exchange research results and other information
- **Curriculum correlation** — content corresponds to national science curriculum
- **Critical thinking** — discover opposing viewpoints about zoos, animal rights and more
- **More than animals** — find a world of animal-related information (biomes, prehistoric animals and more)

The screenshot displays the Grzimek's Animal Life Encyclopedia website interface. At the top, there is a search bar and a navigation menu with categories like MAMMALS, BIRDS, REPTILES, AMPHIBIANS, FISHES, INSECTS, PROTOSTOMES, and LOWER METAZOANS & LOWER PROTOZOANS. The main content area is for the entry on **Panthera leo (Lion)**. It features a large, high-quality photograph of a lion's face. To the right of the photo is a 'QUICK FACTS' sidebar with taxonomic information: Kingdom: Animalia, Phylum: Chordata, Subphylum: Vertebrata, Class: Mammalia, Subclass: Theria, Infraclass: Eutheria, Order: Carnivora, Suborder: Feltiformia, Family: Felidae, Subfamily: Pantherinae, Species: Panthera leo, and Common Name: Lion. Below the photo are sections for 'Physical Characteristics', 'Distribution', 'Habitat', 'Behavior', 'Feeding Ecology and Diet', 'Reproductive Biology', 'Conservation Status', and 'Significance to Humans'. The 'MIMIC THEY LIVE' section shows a globe with Africa highlighted. There are also sections for 'PHOTOS & ILLUSTRATIONS', 'VIDEO & AUDIO', and 'RELATED LINKS'. The footer contains 'ABOUT OUR WEBSITE', 'ABOUT GALE & CENGAGE', 'CONTACT US', 'PRIVACY POLICY', 'COPYRIGHT', and 'TERMS OF USE', along with the Gale logo and 'Power to the user' slogan.

Grzimek's Animal Life offers unequalled coverage of species categorized by Amphibians, Birds, Fish, Insects, Invertebrates, Mammals and Reptiles.
