 **GALE**
CENGAGE Learning™

For educators of successful learners in the 21st century

The need for highly qualified teachers has never been greater. Ongoing professional development is essential to increase student achievement and create successful 21st century learners. Yet, because of time and budget constraints, delivering effective professional development to all teachers and administrators in a school or district has never been more challenging.

Gale and its publishing partners have a solution. More than 100 reference eBooks and 1,100 periodicals — covering all major areas of professional development — lead education professionals instantly to the latest research, strategies and ideas to keep them effective in the classroom.

Purchase one title or dozens. Combine the purchase of Gale's *Educator's Reference Complete* with select eBooks from *Gale Virtual Reference Library*. With *Gale PowerSearch* technology, all resources are cross-searchable so you can create a custom resource center matched with your district's professional development goals and budget.

Educator's Reference Complete

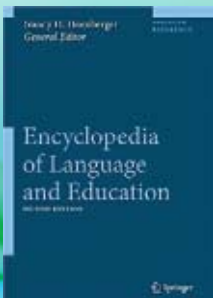

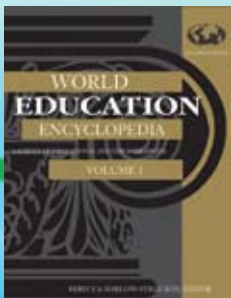

More than 1,100 full-text periodicals complementing the citation-only coverage of ERIC

Educator's Reference Complete is a collection of more than 1,100 periodicals, including 200 reports from the United States Department of Education and full-text results for nearly half of the journal titles found in the Education Resources Information Center (ERIC) database.

Educator's Reference Complete is the perfect complement to ERIC, providing thousands of reports via one common search interface. It covers multiple levels of education from preschool to college and every educational specialty — such as technology, bilingual education, health education, testing, administration, funding, policy and more.

This database is cross-searchable with reference encyclopedias in eBook format from Gale and its partners, including these education-related titles:

- 21st Century Education: A Reference Handbook. Sage
- Encyclopedia of Bilingual Education. Sage
- *Encyclopedia of Education*. Macmillan Reference USA
- Encyclopedia of Education and Human Development. M.E. Sharpe
- Encyclopedia of Education Law. Sage
- Encyclopedia of Educational Leadership and Administration. Sage
- Encyclopedia of Language and Education, 2nd ed. Springer
- Encyclopedia of the Social and Cultural Foundations of Education. Sage
- *Psychology of Classroom Learning*. Macmillan Reference USA
- *World Education Encyclopedia*. Gale

ASCD Education Collection

The Association for Supervision and Curriculum Development (ASCD), with its more than 170,000 members, is one of the largest professional development organizations for education leaders. It provides world-class education information services, offers cutting-edge professional development for effective teaching and learning, and supports activities to provide educational equity for all students.

Gale is proud to offer access to eBooks from ASCD that foster professional growth, assess and enhance work design, and promote new innovative processes to increase student success. Available as a complete 56-title package through *Gale Virtual Reference Library*, the *ASCD Education Collection* is an essential resource with a wide range of popular titles and new favorites for your ongoing professional development needs, including:

- Align the Design: A Blueprint for School Improvement
- Managing Diverse Classrooms: How to Build on Students' Cultural Strengths
- Reframing Teacher Leadership to Improve Your School
- Better Learning Through Structured Teaching
- Building Background Knowledge for Academic Achievement
- Classroom Assessment and Grading That Work

Linworth Publishing selections

Since 1982, Linworth Publishing has delivered practical information and professional insight with a focus on growing and mainstreaming strong connections among school library media and technology specialists, classroom teachers and curriculum leaders.

All Linworth titles are available individually from Gale to enhance your professional development offerings. Enjoy online convenience with more than 50 eBooks or choose from 12 print volumes, including *Collaborating to Meet Standards* and *Learning Right from Wrong in the Digital Age*.

And many more!

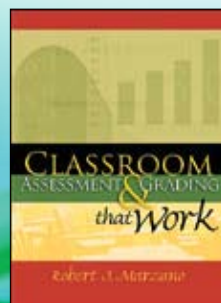

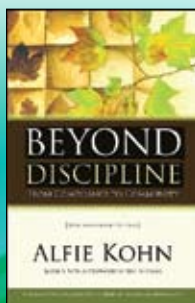

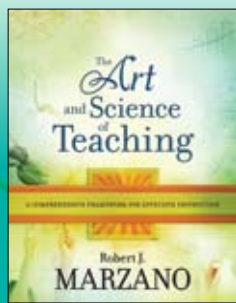

Gale and its publishing partners — like Information Science Reference, leader in the areas of assessment and measurement, instructional design, online learning and technology integration — offer you access to thousands of reference eBooks and professional development titles. See www.gale.com/ProDev for a complete list.

Reach a district with Gale Virtual Reference Library

With *Gale Virtual Reference Library*, you can reach more people with your purchases. eBooks made available at the district level can be accessed by all the region's teachers, educators and administrators — at the same time! Thousands of eBook titles from Gale's award-winning reference works and popular titles from Gale's many partner publishers are offered and can be used by multiple users simultaneously.

Users enjoy 24/7 remote access—from the office, library, classroom, home or anywhere there is an Internet connection—with no special reader or hardware required. Plus, *Gale Virtual Reference Library* is fully cross-searchable with select Gale periodical databases and resource centers — placing a world of information at one's fingertips. For more information, visit www.gale.com/gvrl.

Partnership for 21st Century Skills

Gale is a proud member of the Partnership for 21st Century Skills — the leading national advocacy organization focused on infusing 21st century skills into education. The Partnership brings together the business community, education leaders and policymakers to define a powerful vision for education in this century and to ensure each child's success as a 21st century citizen and worker. The Partnership and Gale encourage schools, districts and states to advocate for the infusion of 21st century skills into education and provide tools and resources that help facilitate and drive change.

TEAMS Award

Teachers And Media Specialists Influencing Student Achievement

The Gale/Library Media Connection TEAMS Award recognizes and encourages the critical collaboration between the teacher and media specialist to promote learning and increase student achievement. For more information about the award and eligibility to enter, see <http://www.galeschools.com/TEAMS>.
