

Consulta

A premiere Spanish-language resource

Meet your schools' growing needs

The *Consulta* Spanish-language database from Gale meets the growing needs of secondary schools serving Latino communities while offering English-speaking students a ready reference to study Spanish-language topics.

Proprietary content from Grupo Océano and Gale — all in Spanish — joins thousands of screened periodicals and images to provide students with a resource that spans cultural and language barriers.

▲ Interface switches easily between Spanish and English

En Español, por favor

For Spanish-speaking students, ESOL students and English-speaking students of Spanish, Thomson Gale offers this comprehensive online resource. Culled from the acclaimed content base of Grupo Océano and Thomson Gale, *Consulta* brings your students a generous selection of reference materials, primary sources and journal articles – many of which have never before been available in the U.S. – and adds more than 6,000 images to complement papers, projects and presentations.

And the ability of the interface to switch easily between English and Spanish makes *Consulta* a convenient choice for your collection.

Comprehensive coverage

- The content of more than 100 Grupo Océano reference titles, including *Historia Universal (World History)*, *Las Raza Humans (The Human Races)*, *Grandes Personajes (Great Figures)* and *Manual Merck de Información Medica para el Hogar (Merck Home Medical Information Manual)*
- Translations of such acclaimed Gale titles as *Enciclopedia de las Medicinas Alternativas (The Gale Encyclopedia of Alternative Medicine)* and *Enciclopedia de Ciencia y Tecnología (U•X•L Encyclopedia of Science)*
- Subject-specific Grupo Océano encyclopedias on arts, biography, business, careers, history, languages and much more
- Spanish-language journals from around the world, including, Clarín, Folklore Americano, National Geographic en Español, Quimera and more
- Literature library with canonical works in world literature ranging from Plato and Dante to Shakespeare and Cervantes — all in Spanish
- Foundational primary source documents in the history of the Spanish-speaking world

What will students find?

- Basic, Advanced and Subject searches to help broaden or narrow search results
- A comprehensive Person search
- Image Gallery
- Timeline/Chronology
- Map center
- Anatomical atlas
- A selection of dictionary functions

Intuitive and reliable

Consulta's intuitive interface allows students to access a variety of searches without the learning curve necessary when searching multiple electronic sources. And results are returned by document type, allowing students to focus on the information presented rather than typical Web-generated hit lists.

Finally, the interface's ability to seamlessly switch between English and Spanish provides researchers with reliable results that meet their needs.
