Abridged Encyclopedia of World Biography

Now everyone can afford the *Encyclopedia of World Biography* for their library!

Based upon the authoritative 17 volumes of *Encyclopedia of World Biography*, the six volume *Abridged Encyclopedia of World Biography* is an affordable alternative to the original 17 volume work. A broad range of subjects are featured in a student-friendly format that general researchers will also appreciate. The volumes are: American History, World History, Art and Entertainment, Literature, Science and Mathematics, and Social Science. The *Abridged Encyclopedia of World Biography* provides information on 7,000 internationally renowned individuals, both contemporary and historical, who have had a significant impact on society through 2,000 detailed essays and 5,000 unique, brief biographical synopses. A photograph accompanies each detailed entry when available. Indexes including personal name and nationality end each volume.

NEW TITLE

Complete coverage in a compact collection

- 2,000 detailed entries provide an in-depth account of each individual's personal information (birth and death dates, nationality, occupation, etc.) and significant achievements
- Another 5,000 brief entries give the individual's birth and death dates, occupation, nationality, and a brief synopsis of his or her achievement
- Information on people of all endeavors, including history, literature, politics and government, religion, science, business, sports, art and entertainment figures
- Indexes by name and nationality
- "Further Reading" sections point the reader to significant sources of additional information
- Carefully defined subject classification makes *Abridged Encyclopedia of World Biography* the definitive reference source for biographies by subject area

A few of the people included in the *Abridged Encyclopedia of World Biography* are:

- Muhammad Ali — American boxer
- Maya Angelou — American writer
- Yasser Arafat — Arab leader
