# Abridged Encyclopedia of World Biography

Now everyone can afford the *Encyclopedia of World Biography* for their library!

**B**ased upon the authoritative *Encyclopedia of World Biography*, the 6-vol. *Abridged Encyclopedia of World Biography* is an affordable alternative to the original 17-volume work. A broad range of subjects are featured in a student-friendly format that general researchers will also appreciate. The volumes are: American History, World History, Art and Entertainment, Literature, Science and Mathematics, and Social Science. The *Abridged Encyclopedia of World Biography* provides information on 7,000 internationally renowned individuals, both contemporary and historical, who have had a significant impact on society through 2,000 detailed essays and 5,000 unique, brief biographical synopses. A photograph accompanies each detailed entry when available. Indexes including personal name and nationality end each volume.
