

# Agriculture Collection

An InfoTrac® collection

## SHOW AGRICULTURAL RESEARCHERS WHERE TO DIG

Researchers looking for practical farming tips or the latest scientific studies from agricultural research centers will find *Agriculture Collection* is the right place to “dig”. With a strong emphasis on full-text coverage of titles in the Agricola Index, *Agriculture Collection* comprises over 400 agricultural periodicals powered by *InfoTrac* as well as relevant, in-depth reference titles from Delmar, a part of Cengage Learning.

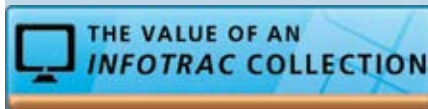

## UNEARTH INFORMATION IN ALL AGRICULTURAL SUBJECTS

From animal feeds to zoonotic diseases, *Agriculture Collection* yields information in all agricultural-related areas for every kind of agricultural researcher.

- ✓ The sow farmer can evaluate statistics related to the impact of new management information systems on the production of piglets.
- ✓ The agricultural historian can discover when ornamental plants became widely popular in midwestern states.
- ✓ The student of agronomy can find out what crops grow well in volcanic soils.
- ✓ The agricultural engineer can read about on-farm manure-to-energy conversion systems.
- ✓ The food-science student can report about the bacterial infections that sickened spinach consumers in 2006.

↑ The homepage features a clean and intuitive interface, allowing users to quickly locate information in the collection.

An *InfoTrac* collection takes the guesswork out of searching. You select the content best suited to your patrons' needs. Users can then quickly identify and retrieve results while enjoying a variety of options:

- Choose from Basic, Subject Guide, Publication or Advanced Search
- Search within results to target specific content
- Support a multilingual community by translating documents on-demand
- Create Search Alerts with RSS Export
- Manage documents in the collection by e-mailing, bookmarking or printing them
- Support the needs of remote researchers by providing 24/7 access

## MIX, MATCH AND SAVE!

Get more for your money by combining the *Agriculture Collection* with other *InfoTrac* collections at special savings:

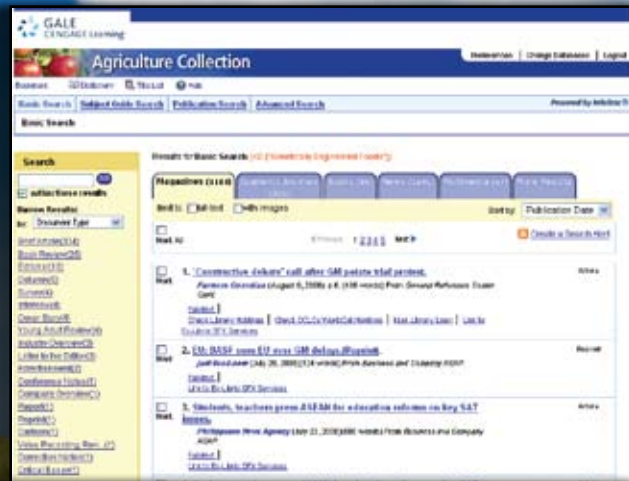

- *Business Economics and Theory Collection*
- *Nursing and Allied Health Collection*
- *Environmental Studies and Policy Collection*
