

# Environmental Studies and Policy Collection

An InfoTrac® collection

## A COMPREHENSIVE ONLINE RESOURCE ADDRESSING GROWING ENVIRONMENTAL CONCERNS

Now you can provide environmentalists, policy makers, corporate researchers, educators, students, geologists, engineers and more with a comprehensive, easy-to-access, online resource that answers all their environmentally-related inquiries. Questions like:

- ✓ Could the Amazon be lost within a few decades?
- ✓ How will urban trees be affected by a city's roadwork activities?
- ✓ Does greener mean healthier?
- ✓ What are the current EPA standards for airborne lead?
- ✓ Has the spotted owl population increased in recent years?
- ✓ Do plans for natural gas resource development fall in line with the state's environmental laws and regulations?

Powered by InfoTrac, *Environmental Studies and Policy Collection* brings together full-text information found in more than 700 journals and reference content from Delmar, part of Cengage Learning.

↑ The homepage features a clean and intuitive interface, allowing users to quickly locate information in the collection.

An InfoTrac collection takes the guesswork out of searching. You select the content best suited to your patrons' needs. Users can then quickly identify and retrieve results while enjoying a variety of options:

- Choose from Basic, Subject Guide, Publication or Advanced Search
- Search within results to target specific content
- Support a multilingual community by translating documents on-demand
- Create Search Alerts with RSS Export
- Manage documents in the collection by e-mailing, bookmarking or printing them
- Support the needs of remote researchers by providing 24/7 access

## MIX, MATCH AND SAVE!

Get more for your money by combining the *Environmental Studies and Policy Collection* with other InfoTrac collections at special savings:

- *Business Economics and Theory Collection*
- *Nursing and Allied Health Collection*
- *Agriculture Collection*
