

InfoTrac® Student Edition

First-rate resources for secondary school students

Secondary school raises the bar on classwork and homework – and now your students can rise to the challenge with *InfoTrac Student Edition*. This Thomson Gale® online database is an ideal alternative to Web surfing, because *InfoTrac Student Edition* offers screened, age-appropriate and reliable content from the magazines, newspapers and reference books that librarians prefer, curriculum demands and students enjoy.

From science, history and literature to politics, sports and the environment, *InfoTrac Student Edition* delivers results. And with remote unlimited access, students can get those results from school, library or home.

▲ Screened, age-appropriate content from the most reliable sources

A window to the world

InfoTrac Student Edition is designed to handle student requests and delivers results for both wide-ranging and narrowly targeted searches. Logical search paths and context-sensitive help screens assure students that the information they retrieve is information they can use, making *InfoTrac Student Edition* — the ideal alternative to the random and often inaccurate results that can come from Web surfing.

Comprehensive coverage

Offer your students full-text content from 14 reference books, including:

- Asimov's Chronology of Science & Discovery
- The Columbia Encyclopedia
- Encyclopedia of American Facts and Dates
- Merriam-Webster's® Biographical Dictionary
- The Reader's Companion to American History
- World Almanac and Book of Facts
- And much more

Plus ...

- More than 470 indexed and 400 full-text titles
- More than 3 million articles from periodicals that are updated daily
- Hundreds of maps to complement papers, projects and presentations

What will students find?

- Subject, Keyword and Advanced searches to broaden or narrow results
- Limited searches to newspapers, magazines, encyclopedias, maps and more
- Three Merriam-Webster's® dictionaries for fast look-ups
- A homework-helping Toolbox
- And more

A powerful engine

InfoTrac Student Edition's state-of-the-art features are powered by *InfoTrac*®, Thomson Gale's robust search engine. Its intuitive interface allows users to access a variety of searches without the learning curve necessary when searching multiple electronic sources. And results are returned by document type, allowing students to focus on the information presented unlike typical Web-generated hit lists.

Especially for educators

An *InfoMark* icon on your results page means you can bookmark the page for future reference, copy it into an e-mail message or embed it into a Web page. Because you can bookmark at the "search" level, a particular search can be updated daily — ideal for researching current events. *InfoMarks* are also useful for creating reading lists, course reserves, links to periodical or newspaper sources, lesson plans and much more.
