## EXCEPTIONAL SEARCH OPTIONS AND FUNCTIONALITY

*Student Resource Center Gold* provides:

- Redesigned interface with streamlined basic search
- Separate searches for key curriculum subjects
- Enhanced Person search
- Teacher Tips
- Tool Suite

*Student Resource Center Gold's* state-of-the-art search features are furnished by *InfoTrac® Web*, Thomson Gale®'s powerful search engine. Person, Biography & Culture, History, Science, Health and Literature searches give quick and accurate results to student researchers. Results are returned by document type, allowing students to focus on the information presented rather than typical Web-generated hit lists. Its searchable multimedia gallery, which includes audio and video clips, photos and more, allows users to access material without the learning curve necessary when searching multiple electronic sources.

*Student Resource Center 3.0* is available in other subscription packages designed to meet specific information needs and budgets for your school including:

- *Silver* — more than 900 full-text magazines
- *Bronze* — more than 700 full-text magazines
