When you order an Scholastic Reading Counts® book set from Blackbirch Press, you will receive a FREE CD!

Scholastic Reading Counts® provides reading motivation and a management program that helps to encourage and motivate students. This proven program teaches books to students in their own pace. The advanced CD-ROM software short queues the computer to verify their comprehension. For educators and librarians, Scholastic Reading Counts® provides a system to match books to readers, monitor and motivate student progress, and respond to the readers' needs.

Scholastic Reading Counts® offers the following benefits: simplify testing, reading report cards, motivates readers, goal reports, auto alerts, provides flexibility, parent letter, and reading progress update report.
